Canadian Wholesale RV Shipments

RV Type Definitions

Definition

Recreational vehicle (RV), a vehicular-type unit that is primarily designed as temporary living quarters for recreational, camping, or seasonal use; has its own motive power or is mounted on or towed by another vehicle; does not require a special highway use permit for operation on the highways; and can be easily transported and set up on a daily basis by an individual.

Travel Trailer, a Recreational Vehicle designed to be towed behind a motor vehicle by means of a bumper or frame hitch and which is manufactured in accordance with CSA Z-240 RV series or NFPA 1192 of standards. Sometimes referred to as a conventional travel trailer, the travel trailer RV is designed to be towed by a car, van or pickup by means of an equalizing frame hitch. The most popular type of RV.

Fifth-wheel trailer, a Recreational Vehicle designed to be coupled to the towing vehicle by a fifth wheel-type coupler, through which a substantial part of the trailer weight is supported by the tow vehicle and being manufactured in accordance with either CSA Z-240 RV series or NFPA 1192 of standards. Fifth Wheel Travel Trailers are a two-level unit designed to be affixed and towed by a pickup truck equipped with a special 5th wheel hitch in the truck bed.

Motor home, a self-propelled recreational vehicle described as either;

A Recreational Vehicle that is self-propelled which is manufactured in accordance with CSA Z-240 RV series or NFPA 1192 of standards and classified as either;

Class A , **Class B** **Class C**

Folding Camping Trailer, a Recreational Vehicle built on its own chassis, having a rigid or canvas top and sidewalls, which may be folded or otherwise stowed for transit, and designed to be towed behind a motor vehicle. The unit is manufactured in accordance with CSA Z-240 RV series or NFPA 1192 of standards. A lightweight unit with sides that collapse for towing and storage. This unit is also referred to as a Fold Down Trailer, Pop-up Trailer or Tent Trailer.

Truck camper, a Recreational Vehicle designed to be loaded onto and unloaded from, the bed of a pick-up truck and being manufactured in accordance with CSA Z-240 RV series or NFPA 1192 of standards. This small Recreational Vehicle unit is loaded onto, or affixed to, the bed or chassis of a pickup truck.
